Dear Sir John,

Command 7538

Your letter of 12 June invited comments on your proposed approach to the questions on which the Government has asked for your advice in Command 7538.

Equitable Members' Action Group Limited (EMAG) objected to your appointment in January. Next week, an expedited hearing will take place before a Divisional Court of our claim for a judicial review of the Government and Command 7538. We are challenging several aspects of the Government's response. The outcome of those proceedings may have a significant effect on your remit.

The board of EMAG will review a possible response after the judgement.

Yours sincerely,
